

Arizona Early Childhood Inclusion Coalition

Creating Inclusive Settings and Opportunities

VISION

Arizona is committed to including all children and their families in early learning environments by providing family-centered supports and services that are high quality, comprehensive, and collaborative.

MISSION

The purpose of the Arizona Early Childhood Inclusion Coalition is to increase the participation of young children with disabilities and special health care needs in their community and in quality early childhood programs, services, and settings.. This is accomplished through collaborative partnerships, increased public awareness, advocacy, supportive policies and coordination of technical assistance and training.
